"It is a truly amazing dance and performing arts school with so many opportunities for all involved, but it is the passion, enthusiasm and dedication of Jacqui and her teachers, to help each and every dancer achieve their potential, that makes it in a class of its own"

Jacqui and all the staff at x academy are really a credit to themselves and our community. The classes I watched are always professional, fun, and always each student is put at ease. I have recently put ballet shoes on at 45 years of age, and after a few short weeks under X-Academy wings feel great, and believe I can achieve anything! The best dance school around. Thank you for everything you have brought to our family.
